

Platinum Ice

Male - Huacaya

DOB: Sep 24, 2005

Light Silver Grey

Stud Fee: \$2,000.00

ARI: 30418394

CLRC: 32752

Platinum Ice is the only registered grey son of the famous Bolivian Ice Man and lives up to his father's high standards. Platinum has a completely solid light silver grey fleece with great density and high frequency crimp. Although he has an alpha type personality (he is the boss of the boys!), he is easy to handle and has a very calm disposition. He has proven to pass on those traits to his progeny.
